

## Saturday Environmental Field Trips!

Open to Tierra Linda Middle School Students

Join the San Carlos Library & Sustainable Future Outdoor Academy for 3 free Saturday field trips! We'll make pie, take hikes, and learn about sustainability. These field trips include bus transportation from San Carlos Library to our destinations as well as free lunch. Because each session builds on the last, students must attend all three Saturdays.

- **October 16** (est. time 8am-3:45pm): Big Picture Day at San Pedro Valley Park
- **October 23** (est. time 7:30am-4:15pm): Food Supply Day at Pie Ranch
- **October 30** (est. time 8am-3:45pm): Personal Impact Day at San Pedro Valley Park

Sign-up form is on the QR code or email [brill@smcl.org](mailto:brill@smcl.org) with questions!
