Homebound Delivery service is available to Sea Cliff residents who are unable to visit the library based on the following criteria: an illness or injury that restricts your ability to leave your place of residence, except with the aid of a supportive device: crutches, canes, wheelchairs, walkers, the use of special transportation, or with the assistance of another person.

Materials that may be borrowed include: books, audiobooks, CDs and DVDs. Materials will be checked out for a maximum of 4 weeks. To return items early call for pickup. There is a limit of 6 items per delivery. You may only have 10 items out at one time.

You may select your own materials by placing them on hold through our catalog. Otherwise the library staff will select materials based on your preferences provided in the request form. Staff will deliver and pickup materials on Thursday mornings, only to the address on file. Materials will be dropped off in labeled tote bag.

The Library does not charge fines, however lost or damaged items will incur a replacement fee.
