Getting Started with iPhone / iPad

Wednesday, January 8th 2:00 - 3:00 pm

Come to this introductory class and start learning about iPhone and iPad fundamentals! Bringing your own device is encouraged, but if you don't have one available you are free to come and watch as well.

Getting Started with Android Phones / Tablets

Wednesday, January 15th 2:00 - 3:00 pm

Come to this introductory class and start learning about Android phone and tablet fundamentals! Bringing your own device is encouraged, but if you don't have one available you are free to come and watch as well.

Getting Started with Windows 10

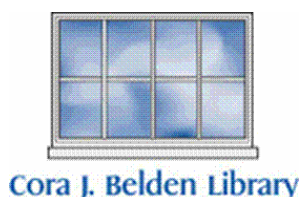

Wednesday, January 22nd 2:00 - 3:00 pm

Have you recently upgraded to Windows 10 and are feeling lost with the new interface? Maybe you feel comfortable but want to know how you can utilize more of Windows 10's features? Perhaps you haven't upgraded yet and want to take Windows 10 for a test drive? If so, join us for this one hour introductory class. Participants will be able to stay after the program to ask additional questions and have free time on the Windows 10 computers.

E-mail Tips and Safety

Thursday, January 16th 6:30 - 7:30 pm

Have an e-mail address, but are uneasy when it comes to managing it? Come to this informational session and learn how to avoid scams, clean up your e-mail, and manage your inbox.
