

# Learning Beautiful Playgroup Plus

Saturday, January 18,  
10:15am-11:30am

Listen to a story, enjoy some interactive music activities and learn about *Learning Beautiful*, a Montessorri based program that provides tactile materials to help children learn computational thinking.

It teaches young children the concepts of coding without the computer. After the storytime, different stations will be set up to try the materials, as well as some Playgroup toys.

For babies, toddlers and preschoolers with an adult.  
Registration not required.

**Cora J. Belden Library**  
33 Church Street, Rocky Hill 06067 | 860-258-7621
