Outreach Services

The Lawrence County Federated Library System Outreach Van stops at various locations in Lawrence County to bring library services and programs to county residents of all ages. Please contact Outreach Services at 724-658-6659 x 110 if you are interested in scheduling an ongoing stop at a daycare, senior residences, nursing home, afterschool program or a specific area of the county. We are particularly interested in service to those who have difficulty in traveling to a library due to distance, transportation and other barriers. We are also available for special events.
