COVID-INFORMATION

If you are experiencing symptoms of COVID -19 (fever, cough, shortness of breath) and feel you may have been exposed to the coronavirus, please stay at home and call your healthcare provider or your local Health Department-CCHD 860-785-8380 to discuss your options. In addition, Hartford HealthCare's COVID-19 Clinical Command Center hotline, staffed by healthcare professionals, is now available to the community. To reach the 24-hour hotline, call 860.972.8100 or (toll-free) 833.621.0600.
