

HOW TO PLAY:

1. Complete an activity (either Read, Imagine, or Move) any day in June and July to earn points.
2. Record the dates you complete an activity on a printed game card or in Beanstack. You can log your progress at ppld.beanstack.org or by using the Beanstack App, available in Google Play or the App Store. If you need assistance, call (719) 531-6333 or visit ppld.org/ask to find different ways to get in touch with our staff.
3. You earn 50 points for each day that you complete an activity. You will receive a prize for participating in the game, plus you'll be entered in the grand prize drawing when you reach 1500 points (30 days of activities).
4. Prize pickup will begin in July. Find the most up-to-date information on how to pick up your prizes at ppld.org/summer-adventure.
