My Summer of Love and Misfortune

by Lindsay Wong

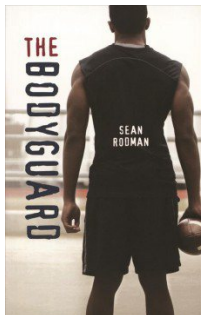

Spending the summer with family members in Beijing to reconnect with her heritage after a disappointing year, Iris is swept into the opulent world of the city's wealthy elite, triggering extraordinary discoveries about her identity.

A Poison Dark and Drowning

by Jessica Cluess

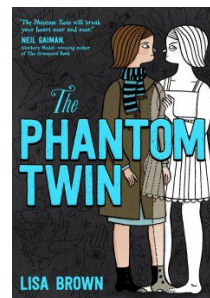

After discovering a clue that could turn the tide of the war, and save her childhood friend Rook, Henrietta, along with the Earl of Sorrow-Fell and Magnus the brave, travel up the coast to locate new weapons

The Bodyguard

by Sean Rodman

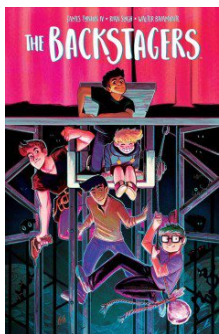

Looking to go to film school instead of playing football in college, Ryan agrees to be an exchange student's bodyguard in order to earn extra cash for film school application fees, but this side job quickly turns more dangerous than he thought.

The phantom twin

by Lisa Brown

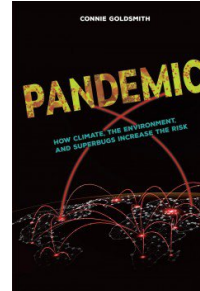

Haunted by the ghost of the stronger conjoined twin who did not survive their separation, Isabel struggles to find a place for herself in the world against a backdrop of the hardscrabble life of circus sideshow performers.

The Backstagers : Vol. 1, Rebels Without Applause

by James Tynion

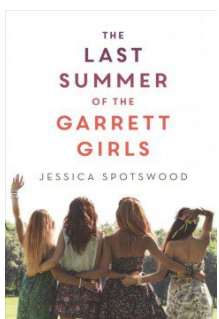

Transferring to an all-boys school, Jory befriends the Backstagers, the school's stage crew, who are determined to put together the best show the school has ever seen while dealing with the magical world located under the school.

Pandemic : how climate, the environment, and superbugs increase the risk

by Connie Goldsmith

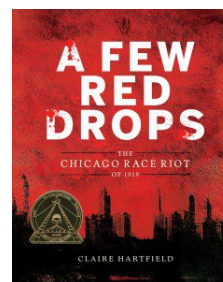

Learn about how scientists have predicted the way diseases will evolve and effect our world in the future.

The Last Summer of the Garrett Girls

by Jessica Spotswood

Told through four viewpoints, sisters Des, Bea, Kat, and Vi, aged nineteen to fifteen, are each transformed, especially in how they see one another, in the last summer before Bea leaves for college.

A Few Red Drops : the Chicago Race Riot of 1919

by Claire Hartfield

A introduction to the Chicago race riot of 1919 documents key events that led to days of urban violence that continue to reverberate a century later, offering insight into contributing factors in race relations, politics, business and culture.
