

Minecraft Club

Do you love Minecraft? Join us weekly for our summer Minecraft Club every Thursday at 6:30 pm for grades K - 8 and have some fun with fellow Minecrafters on the library's very own Creative Server. Please register using an e-mail address on our [online calendar](#) to gain access to the Minecraft server, which is located at the IP address of corabelden.beastmc.com. You must have a Minecraft account for PC / Mac and a copy of the Java Edition version to access the server, and also, you must promise to abide by the rules!
