Sure you've learned about all kinds of famous people in school doing cool stuff- but there are so many more "lesser knowns" that are amazing too! Using the internet, the library catalog or our databases discover someone you never knew about and create a bookmark about that person.

Bookmarks should include some kind of picture, cool facts about what makes this person special, and other information that you think will make the bookmark interesting. Bookmarks can be single or double sided. They can be created digitally or with paper. Supplies can be provided.

These are not homework assignments, but do your best with spelling and grammar. We can edit if necessary, or we may require you to revise. Once the bookmarks are finished please send to [Jen Z](#) for approval. Questions? Contact [Jen Z](#).
