

NATURE BINGO

Explore the outdoors with your family and find out how many of these objects in nature you can spot. See if you can find 4 in a row - up, down, across, or diagonal. Children can also draw a picture or write a story about their nature adventure! If you would like to share your picture/story, you can bring it to Youth Services and we will display it at the Coventry Public Library.

 mushroom	 big leaf	 bee	 rock
 cloud	 flower	 bird	 grass
 nest	 butterfly	 web	 berries
 insect	 water	 tree	 bunny
