

# Down on the Farm Story Time

This story time will be done on Go To Meeting and air live on 7/29. It will not be recorded. If you missed it you can still take out some farm books and make farm animal puppets out of paper lunch bags. If you don't have a lunch bag then try a paper plate! Use the shapes below for templates for ears, nose or mouth!

## More books to try at home:

We have so many great books about farms and farm animals. Try both our fiction and non-fiction materials! Don't forget to check out our eCollection of materials!

## Here are supplies you will need to make your farm animal puppets:

- \* Paper lunch bags or paper plates and plain paper to make ears, noses and mouths
- \* Something to give your characters color like crayons, or markers
- \* Child friendly glue and child friendly scissors
- \* Shape templates
