What You Need

For this block you're working with 5 fabrics, your background, and 4 other complimentary fabrics.

In the Woven Star Quilt Block Tutorial video I showed you how to make a 12" finished block. Cut your fabric as listed here:

Fabric	For	Qty	Cut Size (12" block)
Background	Corner Squares	4	3.5"
	Flying Geese	4	3.5" x 6.5"
Magenta	Flying Geese	2	3.5"
	Split Qtr Sq Triangle	1	4.5"
Green	Flying Geese	2	3.5"
	Split Qtr Sq Triangle	1	4.5"
Orange	Flying Geese	2	3.5"
	Split Qtr Sq Triangle	1	4.5"
Teal	Flying Geese	2	3.5"
	Split Qtr Sq Triangle	1	4.5"

If you want to go smaller or bigger, here is what you'll need for either an 8" or 16" finished block.

Fabric	For	Qty	Cut Size (8" block)	Cut Size (16" block)
Background	Corner Squares	4	2.5"	4.5"
	Flying Geese	4	2.5" x 4.5"	4.5" x 8.5"
Magenta	Flying Geese	2	2.5"	4.5"
	Split Qtr Sq Triangle	1	3.5"	5.5"
Green	Flying Geese	2	2.5"	4.5"
	Split Qtr Sq Triangle	1	3.5"	5.5"
Orange	Flying Geese	2	2.5"	4.5"
	Split Qtr Sq Triangle	1	3.5"	5.5"
Teal	Flying Geese	2	2.5"	4.5"
	Split Qtr Sq Triangle	1	3.5"	5.5"

Cut your blocks for your flying geese ¼" larger if you want to size them up and trim down for more accuracy.
