## The toll

by Neal Shusterman

Citra and Rowan have disappeared. Endura is gone. It seems like nothing stands between Scythe Goddard and absolute dominion over the world scythedom. With the silence of the Thunderhead and the reverberations of the Great Resonance still shaking the earth to its core, the question remains: Is there anyone left who can stop him?

## Victories Greater Than Death

by Charlie Jane Anders

Tina never worries about being 'ordinary'--she doesn't have to, since she's known practically *forever* that she's not just Tina Mains, average teenager and beloved daughter. She's also the keeper of an interplanetary rescue beacon, and one day soon, it's going to activate, and then her dreams of saving *all* the worlds and adventuring among the stars will finally be possible.

## Shatter city

by Scott Westerfeld

In a sequel to Impostors, Frey assumes her twin's identity to destroy her murderous father before becoming stranded in a city of interface-regulated emotions, where she joins in the defense against catastrophic invaders.
