### ONLINE YOUTH AND FAMILY PROGRAMS

#### Story Times are on A Break

Our storytimes will take a vacation in August, while we plan for our new schedule for September. While we're away, you can enjoy online stories from Tumblebooks, try a Read-Along on OverDrive/Libby, or watch our [Play with Me video library](#).

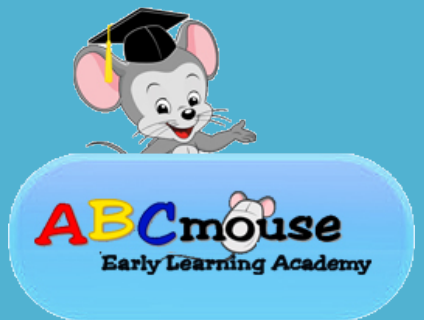

#### (be)Longing: Woven into the Fabric of Our Community

Coming this Fall Season (September-December 2021), the community is invited to a series of intergenerational community programs celebrating and embracing the different cultures of San Leandro. Look for food tastings, musical and dance performances, and art projects for all to enjoy. This exciting series was made possible through the California Humanities Grant Project, "Exploring Innovative Ways of Engaging Immigrant Communities Through Public Humanities."
