Limited slots available.

LEARN. GROW. LEAD.

Complete a 3-part workshop series to earn a certification as a Homegrown Leader.

Hear from local organizations across science, art, technology, municipal services, and community services about what's driving their industries.

Discover how to lead from your strengths with a facilitated leadership development curriculum.

Work alongside peers and community leaders on issues that affect our city.

Workshop run by

FREE TO PARTICIPANTS
VIRTUAL FORMAT

SERIES

AGENDA:

PART 1: PASADENA IMMERSION

May 8th 12-5pm

Learn what drives Pasadena forward economically, structurally, and culturally. Examine where history plays a role in shaping today's reality and look towards the area's future needs for leadership.

PART 2: PERSONAL LEADERSHIP

May 15th 12-5pm

Discover what leadership looks like in yourself, your community, and in groups. Apply strength-based tools to find your own leadership style and strengths - and learn how to leverage them in your personal and professional worlds.

PART 3: COMMUNITY IMPACT

May 22nd 12-6pm

Participate in a short workshop focused on complex community issues that need innovative solutions. Partner with local organizations and leaders in small groups to analyze the challenges and opportunities facing our community in addressing these issues.
