

## Absolute Science Bubble Open House

## Monday, July 26, 10 am to Noon

Stop by the Library or email ppeter@newton.lib.ia.us two weeks before the event to pick up a ticket or have one emailed to you for a 20 minute time slot at the event. It is an Open House format, and tickets will be issued to spread the crowd out, so that everyone gets a chance to make bubbles at one of the six bubble stations.
