

Outdoor Current Events Chat

**Wednesday,
June 9, 16, 23 & 30
2:30–3:30 pm**

One of the Hickory Corner librarians will moderate a thoughtful discussion of current events by patrons.

All adults are welcome. No preparation is necessary; the librarian will reveal the topic at the top of the discussion.

We will be providing a safe environment by strictly adhering to physical distancing guidelines. Please note the following:

- All participants must wear masks during the program
- Please maintain physical distancing of 6 feet from other patrons
- Restrooms inside the library will be available as the capacity limit allows. If the building's capacity is reached, patrons will need to wait to enter the building to use the restroom
- In the case of inclement weather, the program will be canceled

Register for programs in one of three ways:

- (1) Use our app: MyMCLSNJ
- (2) Visit us online at www.mcl.org (Events)
- (3) Call 609-448-0957 for assistance
