For an author talk with Laura Dave

June 8th, 2021 at 7 pm via Zoom

Looking forward to this event in June - please save the date! Details to follow in the coming week.

Laura Dave is an international best selling author of several novels including *Hello Sunshine* and *Eight Hundred Grapes*. **THE LAST THING HE TOLD ME** (Available May 4) is that rare read that (truly) tugs on your heartstrings while never taking its foot off the gas. It's a novel about mothers and daughters, about the family you create, and how we all have secrets we bury.

The event will be moderated by Jonathan Tropper, novelist, screenwriter, creator of *Warrior* and co-creator of *Banshee*.

THE LAST THING HE TOLD ME is soon to be a limited TV series for Apple, starring Julia Roberts. Laura and her husband (Oscar winner Josh Singer) are collaborating on the adaptation.
