

How to get to the Library's Facebook page

In your web browser (Firefox, Chrome, etc.) go to our website: sctylib.org

Look for the four squares on a dark blue background. If you are on a computer or a large tablet, they will be in the upper-right corner.

If you are on a smartphone or smaller tablet, they will be in the upper-center part of the screen.

Once you find the squares, click the square on the far left that contains the little white f.

Then you'll be brought to our Facebook page! As you scroll down, this window may appear. Just click the small **Not Now** text at the bottom and continue on your way. If there's a live video scheduled, you should see it near the top. Enjoy!
