JUNE 1 - AUGUST 27

- Event Guidelines -

All programs require registration. You can register through EventKeeper on our website, or by calling the library at 781-344-2711. Registration will begin for all programs on June 7th, 2021. Program registration ends 24 hours before the start of the program.

For Zoom programs, the link to the program will be sent the morning of the day of the program.

All teen programs will be virtual. Kits will be available for pickup starting week before the program.

- Program Guidelines -

Teen Summer Reading is available to those in grades 6-12.
The minutes a teen reads will be entered into Beanstack, an online reading log accessible from the library website, which will allow participants to read and complete challenges to earn raffle tickets for prizes. This year features 'The Hatchery' where logging minutes will unlock eggs and creatures!

For students in the Stoughton schools who participate via Beanstack, we will share their name and grade with the School system to let them know they participated in the Summer Reading Program.
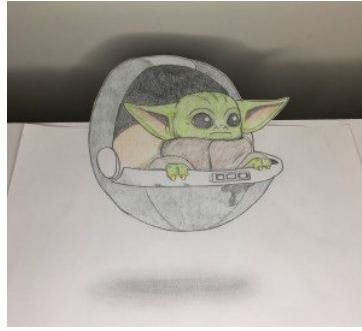

Pre-registration begins June 1st
