## Learn: How to Sail

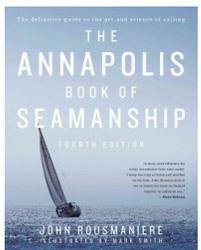

### Library Books & Materials

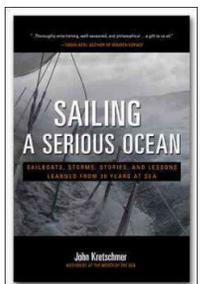

**The complete sailing manual**  
by Steve Sleight  
An illustrated, step-by-step guide to sailing, reviewing the parts of the boat, equipment, controls, and other basics; and discussing dinghy sailing, cruiser sailing, navigation, weather, practical boat care, and safety

**The complete idiot's guide to sailing**  
by Diane Selkirk  
There's something magical about casting off on your own sailboat to parts unknown. This guide gives you tons of tips for enjoying your time on the water.

**The Annapolis book of seamanship**  
by John Rousmaniere  
The art of sailing, maneuvering, and preserving a ship or a boat in all positions and under all reasonable circumstances.

**Sailing a serious ocean : sailboats, storms, stories, and lessons learned from 30 years at sea**  
by John Kretschmer  
In Sailing a Serious Ocean, professional sailor John Kretschmer tells you what to expect when sailing the oceans and shows how to sail safely across them.

### Online Resources

#### American Sailing Association

You can learn how to get ASA certified, find sailing schools, and even take free online courses and webinars.

#### Discover Boating

This website shares information about the benefits of boating, tips and advice on [how to choose and buy a boat](#), [boating activities](#) and [where to go boating](#).

### Community Resources

#### Riversport OKC

Has low-cost "Discover" classes throughout the year to learn the basics of different boating. Sailing is included.

#### Boating Permits

Make sure to check the City of OKC website to learn more about permits and where you can sail.

Your learning made to fit.
