Don't miss **PAGE TURNER ADVENTURES!**

Enjoy fun, professionally produced videos featuring author visits, special places, crafts and performances! Watch whenever it's convenient for you.

There will be a different link each weekday for six weeks during July and August. Find them on the online calendar at: <https://sctylib.org/events/> or go to the Children's section of the webpage.

Do you know about the library's museum passes?

With your adult South Country Library library card and a photo id (like your license) and you can reserve and check out free passes!

There are physical passes that get checked in and out like a book, and there are print on demand passes that you print for the day you want to visit.

Each museum sets the pass parameters. Depending on the museum, it may get you free entrance for a certain number of adults and children, discounts in the gift shop or free parking.

For additional information, ask a Children's Librarian, or go to:
