TV Shows

Summer 2021

Atlantic Crossing
Set in 1940, Crown Princess Martha of Nazi-occupied Norway and her children become refugees living in the White House where she grows close to President Franklin Roosevelt and helps convince him to support Norway and eventually enter World War II.

Dracula
The makers of Sherlock bring you a brand new take on the most famous vampire of them all. Three feature length episodes introduce the world to Dracula, the vampire who made evil sexy. In Transylvania in 1897, the blood-drinking Count is drawing his plans against Victorian London. And be warned: the dead travel fast.

Dead to me
After her husband gets killed in a hit-and-run accident, a woman joins a grief support group where she meets and befriends a woman harboring a shocking secret

Cold Call
June, a single mother, loses a huge amount of money due to a cold call scam. As she tries to track down the fraudster, fear and paranoia begin to take over her life.

Finding Love In Quarantine
Follows the relationships between a widowed father and his young daughter during COVID-19 epidemic lockdown

Last Tango in Halifax: Fourth Season
Widowed and in their seventies, childhood sweethearts Alan and Celia fall in love again when they are reunited on the Internet, but bring with them the emotional problems of their families

The Sounds
When Maggie joins her husband Tom in a small town in Marlborough Sounds to start a new life away from Tom's oppressive family, Tom soon disappears and Maggie begins to uncover the astonishing secrets he has kept from her

A Suitable Boy
Set in 1950s India, a young woman finds herself caught between responsibility to her family and romance as she faces the prospect of an arranged marriage
Heartland Season 13
As Amy and Ty continue to build their business together, the inevitable ups and downs of entrepreneurship will test the strength of their marriage.

Temple
Below the streets of London, descending past Temple tube, lies a secret. An illegal clinic has been set up in abandoned network of tunnels. Daniel is a surgeon driven by personal tragedy to treat anyone who is willing to pay for medical help outside the system.

Supernatural: Final Season

Sam and Dean Winchester seek out the person or force responsible for their mother's death and their father's disappearance while investigating strange occurrences across America.

Doctor Who: Fury from the Deep

The Doctor and his companions encounter a dangerous form of seaweed at a gas refinery off the coast of England.

The Undoing

The life of a wealthy New York therapist is turned upside down when her family becomes involved in a violent murder case.

One Lane Bridge

Follows Maori detective Ariki Davis as he begins to experience visions and a reawakened gift while investigating the death of a man at the bottom of a bridge that has been associated with unexplained events.
Wisting

A Norwegian senior police detective leads an investigation of a serial killer.

South Westerlies

An environmental consultant and single mother goes undercover in a small Irish town to try to quell objections to a wind farm, but finds her mission complicated by the presence of her teenage son's father and an estranged friend.
Riviera

When her art collecting billionaire husband is killed in an explosion aboard the yacht of a Russian oligarch, his wife sets out to uncover the truth behind his death and becomes immersed in a world of shady business dealings and crime.

Star trek: Lower Decks

Follows the exploits of the low-ranking support crew on one of Starfleet's least important ships in the year 2380.

Featured Documentary:

Last Ice

For centuries, Inuit in the Arctic have lived on and around the frozen ocean. Now, as climate change is rapidly melting the sea ice between Canada and Greenland, development here threatens to upset the delicate balance between their communities, land and wildlife.
