

Teen Book Reviews

The Wild

by Owen Laukkanen

Genre: Fantasy

Summary: A girl is unexpectedly sent into a wilderness boot camp by her parents. During the time spent in the woods, things happened that her parents didn't expect. The girl, Dawn, finds herself at points where she is scared for her life. I feel like this book was written well and the author made everything flow smoothly. I think teens will enjoy this book. I would recommend it to people who enjoy thriller books and something that's not a regular read.
