

# Beginner Knitters Class

Wednesdays, October 13, 20 & 27

5-7 PM

Have you been wanting to learn to knit? Here's your chance. We will be knitting squares that can be used in blankets for the homeless. It's a worthwhile project that allows for good practice in knitting, purling, casting on, and binding off. You only need to come with a positive outlook and a pair of size 7 needles – we will supply the yarn.

Remember, if this time doesn't work for you, there is also the opportunity to join the knitting group on Mondays from 1-3. (No penalties for late arrivals or early departures in either time slot.)
