AT THE RIVERSIDE
PUBLIC LIBRARY

Our Collection

The Library houses a collection of genealogical books, magazines, and society publications. We also have online genealogy databases. Whether you are just starting your journey or have been at it for years, we can help!

Special Collections

The Czech and Slovak American Genealogy Society of Illinois (CSAGSI)/Paul M. Nemecek collection is an anchor for comprehensive genealogy research dealing with immigrant families who lived in or passed through Chicago. Heavily oriented toward Czech and Slovak research tools, the collection includes a variety of local obituary indexes and records (listed above).
