

Feng Shui for Home & Happiness

**Thursday, July 21
5:30 p.m.**

**Library Meeting
Room**

Learn how to energize and organize your space and make your home work for you! Join professional organizer and Feng Shui consultant, Anne Stephens, to learn about the ancient art of Feng Shui, and how to use this system to improve the energy of your home. Learn about the shapes and colors that can be used to enhance your living space as well as how to orient and improve the features of your living space. This program is free to attend and open to the public.
