FEST**
QUINTE WEST
PUBLIC LIBRARY

SATURDAY
AUGUST 13, 2022
10AM - 1PM | TRENTON BRANCH

See inside for details!

MakerFEST

QUINTE WEST
PUBLIC LIBRARY

AUGUST 13, 2022
10AM - 1PM AT THE TRENTON BRANCH

• What is MakerFest?

MakerFest celebrates all things Maker! This creative event is for all ages and skill levels.

• What is a Maker?

A Maker is someone who wants to build, innovate, or create. Anyone can be a Maker!

• What can you make?

Check out our list of what's happening! All programs are drop-in. If timing permits, you may take home your
*personalized items same-day.

Create a Creeper!*

Parent/Caregiver and Kid Event!

Kids and their parent/caregiver can learn how to design and print a Minecraft Creeper with our Ultimaker 3D Printer!

Needle felting

Transform wool into a 3D creation! Join us for easy needle felting.

Button maker

Create your button design and press it together with our button maker!

T-shirt design*

Bring a 100% cotton T-shirt and pick a design to be pressed onto it using our T-Shirt press! Pick from various decals and colours. Designs should fit most sizes from adults to kids. Please bring your own 100% cotton T-shirt to participate.

Makey Makey

Try out our Makey Makey! The Makey Makey uses a circuit board and alligator clips to emulate computer commands. Play our Makey Makey banana piano or use it listen to jokes.

Personalized Engraved Keychain*

See how our Glowforge laser cutter and engraver can make your own personalized keychain! Write a message, in your handwriting, and we will engrave it on wood for a special keep-sake.

Bird Cam

Watch for possible visits from our feathered friends on our Bird Cam!

Beaded Keychain

Create a cool pony bead keychain from a wide selection of colours and styles!

Arcade

Have fun with our retro Arcade machine built by a maker.

Diamond Art

Create cute and colourful diamond art pictures and shapes!
