

Introducing the new

StoryWalk® & Nature Walk

At the Wood Dale Public Library

Enjoy a beautiful day while reading a children's book along our 24 story stations or learning about our local ecosystem from our six Nature Walk signs.

1 Story

An interactive picture book for ages 4-8

30 Signs

A whole path full of activities for families

Dozens

Of native plants, trees and wild animals to see

Endless

Opportunity for outdoor adventure

Funding

Provided generously by the Institute of Museum & Library Services

Idea

The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library.

 Reach. Explore. Achieve. Dream.

Outdoor Literacy projects make an impact.

Children benefit from reading a StoryWalk® with adults. Reading together introduces new words, characters and stories and teaches children how to follow a story sequence by moving from page to page while hearing and playing with sounds.

How to enjoy our new outdoor space:

Follow these tips to have a great outdoor adventure at WDPL!

-  Signs are located behind the Library to enjoy during daylight hours. To get there, follow the sidewalk around the building.
-  Pack a picnic and enjoy a beautiful day outdoors! We have a picnic table on the patio and space for a blanket.
-  Don't forget a camera! As you go from sign to sign, snap a picture and post it on social media with #wdplstorywalk.

Incoming! Phase 2 of the project, which includes a path and additional landscaping, will be coming in the fall. Stay tuned on our social media channels for updates.
