

# MINI SCIENCE FAIR

**Each Display = 3 Volunteer Hours \***

**Create a Display for us  
Based on Your Research  
on a Topic of Your Choice**

**How does carbonated soda  
affect your teeth?**

**What materials can be  
recycled in CT?**

## THE DETAILS:

Do you like science and researching topics? Are you interested in climate change, pollution, our oceans or the solar system? Do some research on a topic of your choice. Display your findings and decorate a poster board that we will provide and we'll display it at the library.

**Contact Jen Z at ([jjzappulla@rockyhillct.gov](mailto:jjzappulla@rockyhillct.gov)) for details .**
