

Halloween Scavenger Hunt

Photograph the following things and don't be afraid to get creative! If you are doing the scavenger hunt as a team, designate one person to submit photos so that they all come from the same email address (this is how we will know that they are all from the same team).

Submit the photos via email to lwalker@coventrylibrary.org with the subject "Halloween Scavenger Hunt."

Points system:

1 point for each place, creature, or thing listed below

2 extra points for each photo that contains two or more different creatures or things listed below
