

Featured Titles

ITHACA

BY CLAIRE NORTH

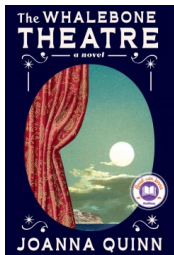

From a multi-award-winning author comes a daring reimagining that breathes life into ancient myth and gives voice to the women who stand defiant in a world ruled by ruthless men.

JOAN : A NOVEL

BY KATHERINE J. CHEN

The myth & legend of Joan of Arc is transformed into a flesh-and-blood young woman: reckless, steel-willed, & brilliant. This stunningly-researched novel is a sweeping narrative of her life, from a childhood steeped in both joy & violence, to her meteoric rise to fame at the head of the French army, where she must navigate both the dangers of the battlefield & the equally treacherous politics of the royal court.

THE WHALEBONE THEATRE

BY JOANNA QUINN

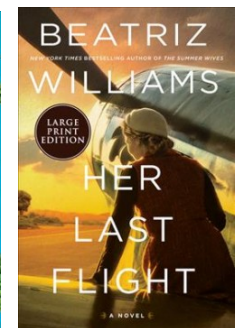

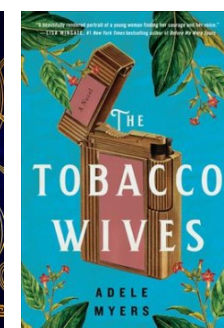

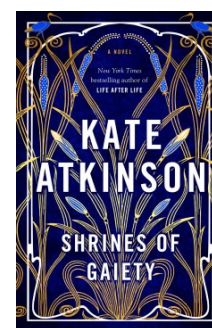

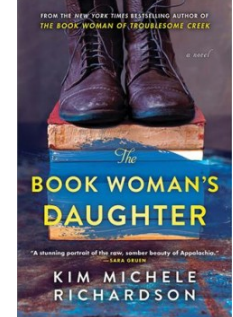

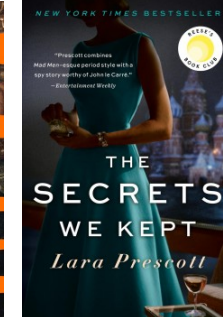

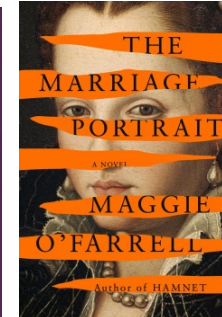

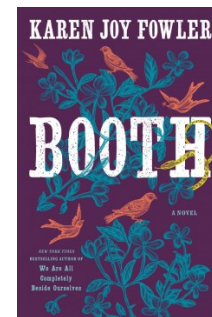

In 1928, 12-year-old orphan Cristabel Seagrave and the rest of the household build a theatre from a whales skeletal rib cage, where imagination comes to life and where her acting comes into play years later as she becomes a British secret agent on a dangerous mission in Nazi-occupied France.
