Shuna's Journey

by Hayao Miyazaki

"Published in English for the first time, this new manga classic from a legendary animator follows Shuna, the prince of a poor land, as he embarks on a harrowing quest for a golden grain that could save his people. 150,000 first printing. Illustrations."

One-punch man. 24

by ONE

"The dangerous monster that can't be cut, Evil Mineral Water, confronts Bushi Drill, Okama Itachi, and Iaian. Meanwhile, Saitama runs into the giant demonic dog Pochi, and Terrible Tornado launches into an epic supernatural battle against Gyoro-Gyoro!"

One way or another

by Becky Cloonan

"Mentored by Oracle, the Batgirls move to the other side of town where Barbara Gordon can keep a better eye on them while the hacker Seer is still invading their lives. Steph may be too rash sometimes, and Cass doesn't speak much-but what they lack in similarities, they make up for with their mutual respect and love for each other...and what makes them stronger together as

Batgirls! And they may be good at kicking ass, but they are just trying their best to be normal teenagers-who'll borrow the keys to a muscle car that belonged to a bad guy and perhaps give it a joyride around town without a driver's license, then race to get back home to Oracle by curfew!"
