

# Pumpkin Smash

Saturday, November 12 3-5 pm

at Brilliant Park (adjacent to the library)

**An exciting and eco-friendly way to dispose of your jack-o-lanterns after Halloween**

Bring your old pumpkins outside the library where they can be smashed and loaded into the Intergenerational Food Pantry Compost bin. Learn about how composting works, enjoy some cookies and apple cider, and take home some sample compost.

Organized by Sustainable Rocky Hill and the Rocky Hill Human, Youth, and Senior Services department. With thanks to Rocky Hill Parks and Rec.
