

Fall StoryWalk®

at Gedney Park in Millwood

Co-sponsored by New Castle Rec, the Chappaqua Library
and the Friends of the Chappaqua Library

Everyone in the neighborhood dreams of a taste of Omu's delicious stew! One by one, they follow their noses toward the scrumptious scent. And one by one, Omu offers a portion of her meal. Soon the pot is empty. Has she been so generous that she has nothing left for herself?

StoryWalk® is an innovative and delightful way for children — and adults! — to enjoy reading and the outdoors. As you stroll down the path, you're directed to the next page in the story. Free and open to the public during daylight hours.

The StoryWalk Project was created by Anne Ferguson of Montpelier, Vermont and developed in collaboration with the Vermont Bicycle and Pedestrian Coalition and the Kellogg-Hubbard Library.
