What book are you currently reading?

I just finished *The Devil in the White City* by Erik Larson, about the 1893 Chicago World's Fair and the serial killer H.H. Holmes. Larson makes large historical events approachable by focusing on the experiences of individuals.

What book would you recommend to almost everybody?

I always recommend *Cutting for Stone* by Abraham Verghese. I literally could not put this book down. I also recommend *Cloud Atlas* by David Mitchell. I love the interconnected stories in David Mitchell's novels; the world he created gets richer in each new book.

What was the last TV show you marathoned?

Derry Girls. I probably laughed out loud watching this show more than any other show I've ever watched.

What is your favorite hobby?

I love to travel, but time and money is limited. Imagination is not! I spend many hours researching and planning trips that I might take, someday. It's wonderful to learn about new places and dream.
