

INTERNET SAFETY WORKSHOP

Presented by: **Scott Driscoll**

Date: **Thursday, March 23, 2023**

Time: **6:00 p.m. to 7:30 p.m.**

Location: **Rocky Hill Community Center,
Room# 1
761 Old Main St.**

With the constant surge of new information, programs, and apps, the world is a click or text away. But with new advances come new dangers and concerns. Parents need to be aware of the technology their children use and the trouble that can follow if safety rules are not in place.

Most apps can be used in fun, positive ways- but not all programs are appropriate for all ages. The presentation will show parents the positives and potential pitfalls of today's most popular programs.

Topics Covered

- **Social Networking**
- **Cyberbullying**
- **Texting and Sexting**
- **Photo Sharing**
- **Privacy Settings**
- **Digital Footprints**
- **Popular/Trending Apps**
- **Parental Controls**
