Message from the Board Chair:

Well 2022 felt like we were just about back to normal. The board members were able to start attending board meetings back at the Radium Library. It's great to see and talk to everyone.. Last year our Friends of the Library group had started up. This group had worked hard this year with all their fundraising projects they put on, to help out our Radium Library. Way to go Friends of the Library, thank you for your help. We continue to serve our community. Whether it's a good book, story time, a craft, Summer reading club or needing the use of some up to date tech we are here for you.
