Children who have not yet started kindergarten are eligible to participate in the statewide 1,000 Books Before Kindergarten program!

HOW IT WORKS:

- Sign up today at the Laurens County Library Children's Center!
- Enter your books on your reading log to track your child's progress.
- For each 100-book milestone, bring in our child's reading log to receive a prize!
- When your child reaches 1,000 books read, stop into the library and get a diploma and a special prize! Your child may also pose for a photo for our Reader's Wall of Fame display.
- Do we need to read books only from the library? Nope, any age appropriate books count! No matter where you get them or how many times you read them - they all count.
