

The History and Mystery of Nancy Drew

Presented by **Alicia Mello**

Saturday, March 23
1:30 pm

Immediately following the Friends of the Fall River Public Library annual meeting, join us for a FREE presentation open to all. Nancy Drew superfan **Alicia Mello** has been collecting Nancy Drew items for 20 years and loves to talk about the history of this beloved figure in literature!

At this presentation, attendees will learn about the many different editions of Nancy Drew that have been printed since Nancy Drew came out in the 1930s. Attendees will also learn facts they may not know and be able to ask questions and reminisce about childhood experiences and memories of reading Nancy Drew mysteries!

Bring Nancy Drew books from your collections to share with the group and learn about what year your books are from as well as a value. Feel free to bring any items you have related to Nancy Drew that you would like to show the group.

Refreshments will be served. If you are interested in joining the Friends, membership forms will be available at the program.

This program is generously sponsored by the Friends of the Fall River Public Library.
