Wondering what your neighbors have been reading?

We've dug into the data and determined the top ten adult titles most checked out from Stillwater Public Library in 2023. These popular books range from gripping thrillers and mysteries to a historical drama and a comedic and poignant graphic memoir. Missed one? Place a hold at library.stillwatermn.gov, or ask a librarian if you would like help finding other trending titles.

The winner of the "most circulated" prize for 2023 was not a book at all. Mobile Wi-Fi hotspots topped the list. Many thanks to the generous donors of the Stillwater Public Library Foundation for providing wireless internet access to our community. We'll soon be adding Wi-Fi hotspots to our circulating laptops for even greater accessibility.
