# The Rose' Mammogram Bus will be at the Alvin Library on Monday, December 2

## Mobile Mammography

The Rose is proud to make mammograms accessible to women throughout our communities with the Mobile Mammography Program. Our self-contained, luxury health coaches come equipped with the latest in breast screening technology. Our Pink Fleet of five coaches offer 3D mammography and on some coaches, a separate patient examination suite for other preventive screenings. The Mobile Mammography Program currently serves 43 counties across Southeast Texas.

If you have questions about the Mobile Mammography Program or you would like to request more information, please contact our Mobile Department at 281-464-5136 or email us at [MobileTeam@therose.org](mailto:MobileTeam@therose.org) or visit us at <https://therose.org/services/mobile-mammography/>
