Library Chronicles

DECEMBER 2024

Message from the CEO:

Clearview Public Library recently completed a Valuing Ontario Libraries calculation of the Social Return on Investment of your library. The valuation template was created by the Ontario Library Service, the Ontario Government's Crown Agency tasked with helping public libraries across the province. Based on the calculations made through the template, Clearview Public Library's economic benefit to the community in 2023 (most recent statistics as submitted to the Ontario Ministry of Tourism, Culture and Gaming) was \$4,159,450.64. This works out to an economic benefit of \$280.78 per permanent resident. We are here to serve you! Happy Holidays to all from the Clearview Public Library Board and Staff.
