

How to participate:

1. Stop into your local branch to pick up a reading log. Registration starts on Monday, June 16th, but you can register at any point throughout the summer. If you plan to be away during the program, you can still participate during the week/weeks you are here.
2. Write your first & last name, age and branch inside your log.
3. Write down how many minutes you read each day in a blank box. Any reading or listening counts, and it's okay if you don't read every day!
4. Bring the log back to the branch once each week between Monday, June 23rd and Saturday, August 9th to receive a prize. One prize is given per week. No prizes given for missed weeks.

Did you know?...

There is also a Teen Summer Reading Program for ages 12-18, as well as an Adult Summer Reading Program - so we encourage you to get the whole family involved!
