

Decade Reading Challenge Update

October 2025

I am excited to announce that our first month of the reading challenge is complete, and what a fantastic month it was! A whopping 51 participants joined us—kids, teens, and even three student book clubs! It's incredible to see such enthusiasm!

For those of you collecting the mini book covers from the books you've read, they are now available to pick up at the circulation desk!

Curious about what everyone else has been reading? Stop by the library and check out the decade timeline displayed on the wall behind the Reference Desk! You might find something else to add to your TBR pile.

The decade for October is 1880-1889.

New suggestion lists for October are now available, featuring a mix of fiction, non-fiction, children's, and teen selections. Remember, these are just ideas of what is available at the library. You are welcome to read whatever you like.

If you haven't joined the challenge yet, give it a try!

Happy reading!
