The screenshot shows the East Islip Public Library website. At the top, there is a dark blue header with the library's logo on the left, which includes a lighthouse and the text "East Islip Public Library". To the right of the logo are three white icons: an information icon (i), a person icon, and a magnifying glass icon. Below these icons is a red home icon with a clock. The main content area is white and features a "DEPARTMENTS" section with a building icon. Underneath, there are three colored buttons: a dark blue "ADULT" button, a green "KIDS" button, and a teal "TEEN" button. Below each button is the word "PROGRAMS" in the same color as the button. The "ADULT PROGRAMS" text is circled in red. Below the departments is a "SERVICES" section with a bell icon and a list of services: Blood Pressure Kit, Career Counseling, Discount Tickets, Homebound Program, Library Card, and Library of Things.
