## Our Sources of Support

As we turn the page into a new year, we're proud to share that 2025 was a wonderful chapter in the story of the Lakeview Area Public Library. Thanks to your generosity, we expanded community programs, welcomed new readers, updated our technology resources, and kept the library a warm, welcoming hub for learning and connection in Sandy Lake.

Your support made all the difference: 7,386 books borrowed, 657 story hour attendees, 156 new members, and 610 computer users made possible through your commitment to our library. Now, as we embark on our Reaching New Chapters in 2026, we invite you to help us continue this momentum. Your gift this year will fund new materials for our shelves, enhance digital collections, support literacy initiatives for all ages, and keep our doors open to everyone who seeks knowledge, adventure, and inspiration.

The Lakeview Area Public Library has always been more than a building, it's a cornerstone of our community. Together, we can make 2026 another remarkable year of growth, learning, and shared stories. Please consider making a tax-deductible donation today to help us reach new readers and new heights in our mission. Every contribution, large or small, writes another line in our success story.

With gratitude,

Katelyn Struthers  
Director, Lakeview Area Public Library
