# April 2026 Programs

## Neighborhood Forest Tree Pick-Up!

Did you register your child for a free tree from the Neighborhood Forest? If so, keep an eye out for a call or email this month. Your tree will soon be delivered to the library, and grownups can stop by to pick it up!

## Adult Craft Night

We'll be making handmade paper from recycled scraps, then taking it one step further by embedding wildflower seeds right into the sheets. The result? Beautiful, one-of-a-kind paper that can be planted and grown.

Enjoy an evening of hands-on crafting, good company, and a little eco-friendly inspiration. You'll leave with your own plantable paper creations, perfect for thoughtful cards, gifts, or a small reminder that even scraps can bloom into something beautiful.

## Dungeons & Dragons & Pizza

Come join for an evening of game play, snacks, and creativity! This on-going Dungeons and Dragons campaign is for ages 8+ where players can learn and practice game mechanics, world-building, and creative gameplay!

## Spring Break Events
