

The Sweet History of Chocolate

Thursday, June 4, 2026
1:30 p.m.

Chocolate is more than a treat—it's a 4,000-year journey through culture, science, art, and innovation. In this engaging and deliciously fun talk, Andi Stix traces cacao's path from the sacred drinks of the Maya and Aztecs to European chocolate houses, fine art, and today's global candy industry.
